February
19-21

First and foremost, thank you all for the wonderful treats and supplies for our Valentine's Day Party! We all had a marvelous time and I hope you all had a lovely Valentine's Day as well!

Since it is such a short week, we will **not** have Scholastic News or spelling homework. The students will test over Lesson 22 this week and then next Monday they will receive Lesson 23 to study.

If you have not seen or signed the Symphony permission slip, please do so. I will attach it to this email. I am also sending the permission slip to watch the Death Valley Days episode home tomorrow but will also attach it to this email. Thank you so much!

If you have already signed up for conferences next week, thank you. If not please take a moment to sign up for one of the sessions.

We just finished our units in Exploratory and will spend the next 6 class periods on STEM Engineering and Design activities ~ I am sure it will be a blast!

Please let me know if you have any questions, comments, or concerns at this time! Have a great week!
